Good Dog day Care, its owners, employees, representatives or any other person(s) affiliated with the company shall hereinafter be referred to as GDDC.

By signing this form, you: **(name)** _____, Hereinafter referred to as CLIENT, agree not to hold GDDC liable or sue for any injuries to and/or death of your dog(s): **(List dogs names)** _____ while on the premises for recreation, boarding, training and/or in the care of GDDC.

Although GDDC screens all dogs for temperament, does not take aggressive dogs and watches dogs carefully and provides a healthy and safe environment for your dog, GDDC cannot guarantee the behavior of any dog. Consequently, cannot guarantee that your dog will not be exposed to the risk of injury or death for reasons including, but not limited to aggressive behavior by other dogs. I understand that when dogs play together, there is an inherent risk of injury or death. By signing this agreement, I agree that I will not hold GDDC responsible for injuries to my dog(s) and / or death that may occur in and out of the facility or during indoor or outdoor recreational play.

I also understand that the non-slip rubber floor, while providing a very good playing surface, may cause blisters, abrasions or scrapes to appear on the pads of my dog(s) feet. Also, some dogs pads may be sensitive to the Accelerated Hydrogen Peroxide disinfectant used throughout the facility. If the staff of GDDC notices my dog(s) limping, favoring or licking a paw, they will make a reasonable attempt to reduce activity levels, but are not liable or responsible for such injuries. Furthermore, I understand that abrasions, nicks, scratches or mucous found on my dog after daycare or boarding would be a normal consequence of play and interacting with other dogs and will not hold GDDC liable for such wounds or injuries.

If, in my absence, my dog should become ill or injured, or need veterinary care, GDDC has my permission to consult with my veterinarian and I realize GDDC will make a reasonable effort to bring my dog to my veterinarian or emergency animal clinic. I understand that I am responsible for all veterinary costs, including the transportation of my pet to and from the veterinarian and /or clinic.

I understand and agree that my dog(s) needs to be brought in and out of the facility on leash. GDDC makes every effort to ensure the safety of all the dogs on premises and if my dog should get loose or lost outside, I will not hold GDDC responsible.

I understand and agree that while at GDDC, my dog(s) will be routinely asked to "come", "sit", "stay", "off" and informally exposed to toys and equipment such as tunnels, jump bars, and balls. GDDC also employs the use of treats, redirection, brief on-lead time and /or time outs to get compliance from dogs and curb unwanted behavior such as barking, mounting or overly rambunctious behavior.

I hereby declare that my dog(s) is not known to be aggressive toward other dogs or people. If my dog is aggressive while at GDDC, I agree to pay all medical bills associated with the incident including those related to injuries to my dog, injuries to other dogs resulting from the incident, and injuries to people or equipment related to the incident.

I hereby declare that my animal has not been exposed to any communicable diseases within the last 30 days and is fully vaccinated in accordance with GDDC policy. **Covid-19 addendum:** I understand that covid-19 protocols require*wearing of masks. Keeping 6ft from others when on GDDC property either outside or in." My Dog(s) are on leash or harness. If my dog has had coughing or Diarrhea or been "lethargic" within 48 hours I will not bring dog onto the premises. If I am not feeling well, have a fever or cough I will not enter the facility or come onto the premises. I understand that GDDC uses an accelerated hydrogen peroxide as a primary disinfectant. I permit GDDC to use this product in diluted form to wipe down my dog's belongings and high contact areas on my dogs as well.

If I choose to leave items with GDDC,(IE: a bed or blanket) I will properly identify them in writing (or via an ID tag). GDDC may use permanent marker or other non-removable methods to ID my belongings. I understand that GDDC cannot be held responsible for lost, dirty, damaged or destroyed belongings left at the facility.

By signing this form, I acknowledge that I understand and accept the terms and conditions set forth in this agreement. **Client:** _____ **Date:** _____

Boarding - What to bring with you:

Leash and collar

We will store them here for you, so that you can easily bring your dogs in and out of the facility on leash as required.

Food

Your pup will be in new environment and changing their food at the same time might lead to tummy troubles- please bring enough of what they usually have to cover their stay with us. (We do have food here in case we run through yours). To cut down on plastic, we prefer if you can bring a bag or container Not individual baggies and we will portion it out according to your instructions. Please make sure we have portions and mix and brand (IE: cup of kibble(Nutro grain free) with tblspn wet and a drizzle of warm water all mixed together). This info should be noted on your application and will minimize the check in time. **Special snacks or treats:** We do have plenty of snacks and treats, however, if your dog requires a specific brand or type you should bring it along. Please make sure to note any food allergies if present. We do not allow rawhide items as treats, we worry of choking or blockage occurring with rawhide.

Bedding:

Please bring something that smells like home to them IE: a pillow case, an unwashed t-shirt etc. If they have a favorite bed and will be more comfortable on that-feel free to bring it along (or opt to use one of ours-we have many). If they usually sleep in a crate at night, we can put yours in their kennel if that will make them more comfy. Please identify by dogs name all objects that you will want returned. We will spray with disinfectant objects and clothing as part of our Covid sanitizing protocol.

Toys:

Please do not bring any toys (unless they are for sleeping with only) Any toy that makes it way to the playspace gets used by all dogs, may get chewed up and probably won't be returned (too hard for us to keep track of others toys). In any event please do not bring a favorite toy that cannot be replaced-some of those retrievers have been known to sneak/grab a toy from a different kennel.

Misc.

Medications: we can administer most medications including Insulin shots (must bring sharps container for safe needle disposal). All medication must be marked with dogs first and last name, dosage, how often and when to give it, name of medication and what condition it is for.
